

Accidental Wife (Fairytale Weddings)

FARYTALE WEDDINGS Nikki Ashton was invited to a wedding her own! The inspiration behind the Cinderella Ball was simple--come single, leave wed. By midnight perfect strangers could find themselves married as if by magic! To keep her love-struck boss, Eric, at bay, Nikki Ashton had told him she was happily married. The wedding ring had been easy all she needed now was a husband! Jonah Alexander seemed heaven-sent. Unfortunately he'd come to the ball to stop a wedding, not start one! He was convinced his brother Eric was about to make the biggest mistake of his life--marrying Nikki Ashton. But then he realized Nikki wasn't so much waiting for her husband-to-be as shopping for him. Day LeClaire writes wonderful romance stories that leave the reader with a smile and a warm heart.
