

Lisa (Sisters)

SISTERS A sister can be a woman's closest friend. A golden wedding usually means a family celebration. But the Hardaway sisters drifted apart years ago. And each has her own reason for wanting no part of a family reunion. As plans for the party proceed, tensions mount, until it even begins to look as if their parents' marriage might fall apart before the big event. Can the daughters put aside old hurts and betrayals for the sake of the family? Lisa Hardaway, youngest of the sisters, has come home under protest. Her new life, far away from Hurricane Beach and her family, had allowed her to put her past and her secret behind her. But now everything is out of control. Her parents are threatening to divorce, her ex-husband is marrying her sister, and worst of all, she keeps running into Matt Connell, the man of her nightmares and of her dreams.
