

Adventures of a Psychic

In this uniquely fascinating audiobook, internationally renowned psychic Sylvia Browne recounts her captivating life as a clairvoyant, telling of her earliest readings as a young child in Kansas City, and of her first contact with Francine, her spirit guide. In engrossing detail, Sylvia tells how her gift has assisted police departments in their search for missing children and dangerous criminals - and how her predictions of deaths, plane crashes, and momentous world events were sometimes heeded, sometimes tragically ignored. But more than anything else, this is the remarkable story of one woman's psychic odyssey, for it offers illuminating insight into how we can better understand ourselves and our own psychic abilities.
