

Their Only Child

For Christmas, she wanted her family back. For single mom Theresa Mathews, the Christmas holidays were extra special because of her son. And because in him she still held part of Sullivan, the man she once loved. But now their child was missing. Like a whirlwind, Sullivan swept back into Theresa's life, stirring her feelings and bringing more questions. While his strong arms offered comfort, his smoky eyes promised fulfillment of the desire that still smoldered between them. In his embrace Theresa found hope, but she feared only the truth about the past could heal their hearts and bring their son home for Christmas.
