

After the Storm: Colorado (The Americana Series)

Every novel in this collection is your passport to a romantic tour of the United States through time-honored favorites by Americas First Lady of romance fiction. Each of the fifty novels is set in a different state, researched by Janet and her husband, Bill. For the Daileys it was an odyssey of discovery. For you, its the journey of a lifetime. Your tour of desire begins with this story set in Colorado. Lainie MacLeods mother wants only the best things in life for her beautiful daughter. And for a while, Lainie has it all, including the perfect husband. Rad MacLeod was the most handsome, nicest guy in Denver, Colorado but then Rad went away. And hes the only man Lainie has ever truly loved. Now Rads back. Theyre both a little older, a whole lot wiser, and the romance is hotter than ever.
