

## Helenas Christmas Beau (Cotillion Christmas Traditions)

Facing her second Christmas since the loss of her fiance, Helena relies on her favorite traditions to bring back the joy of the season. Yet from stir-up day to bringing in the greenery on Christmas Eve, her cousins brother-in-law Duncan is underfoot, questioning her every action. As Duncan plays along with the outdated rites, he realizes how much he missed Helena's laughter. When he hears she plans to re-enter the Marriage Mart the next Season, he is struck with jealousy. Is he falling in love, or simply under the spell of the holiday season? A Blush Regency romance from Elloras Cave
