

All a Man Can Ask (Silhouette Intimate Moments)

HER UNDERCOVER LOVER The little house by the lake was the perfect summer hideaway. At least that was what Faye Harper thought until a dark, mysterious stranger appeared at her door and turned her peaceful world upside down. Detective Aleksy Denko was compelling enough to have stepped out of her most intimate dreams. But what he wanted from her was beyond anything this prim-and-proper schoolteacher could ever have dreamed! He asked her to pretend they were lovers, so that he could set a trap for a brutal killer. But being up-close-and-personal with this man night after sultry, steaming night had her aching to make this charade of passion the real thing.
