

Along Came Twins...

Were going to have twins? Kellie Petralia, soon to be ex-wife of Greek billionaire Leandros, is miraculously pregnant with twins! But the pain of being unable to conceive has taken its toll, and even as Kellie surprises Leandros with the exciting news they're just days away from divorce. Only, Leandros has other ideas. Though they might have almost fallen apart, he knows they belong together, and he is determined to do whatever it takes to repair their marriage. Will he convince Kellie that miracles can happen more than once in a family?
