

Confused Love (Crazy Love Book 2)

Sometimes it takes pain to make a person realise true love. It can be the thing that propels one to a place of love. Louise is in a difficult position. Once independent, now has to rely on the people around her. What she doesn't expect is for a hookup to turn into something more serious. The meeting doesn't matter, it's the way forward that can break or make a relationship. Will Louise finally allow her heart to love fully? Perhaps, but it always takes two to tango!
