

The Billionaires Temptation (Amalfi Night Billionaires Book 1)

Rocco De Luca lives and loves in the fast lane. A past Formula 1 champ, he has been jetting around the world arranging celebrity charity races and partying with the worlds elite. Coming home to Isola del Fiori and filling in for his older brother for a few weeks sounds well, boring. Until he meets Steffi Harlan. Steffi Harlan is sophisticated, elegant, and way too smart to fall for a tanned chest and a bad-boy smile, or so she thinks, until shes put in charge of keeping the jet-set playboy out of trouble while hes gone. Sure, no problem. Except Steffi isnt immune to Roccas charms. They burn up the nights they spend together, and the last thing Steffi wants is to crash out and end up with a broken heart Can they both survive love in the fast lane?
