

Adams Amazing Counting Book Counting in Dutch (Adam the Little Airplane)

Adams Amazing Counting Book Counting in Dutch is part of the Adam the Little Airplane series of books. It is a childrens book designed to introduce young readers to concepts of numbers, basic counting and provide a small introduction to the Dutch Language. The numbers are presented in English, then Dutch with a phonetic pronunciation. A light narrative is provided for more advanced readers and parents including a Dutch translation. This book can be a fun learning exercise for both parent and child.
