

The New Social Face of Buddhism: A Call to Action

Jones presents an astute, well-informed, and balanced analysis of the philosophy, history, and future of socially relevant Buddhism. At a time when clear social action is needed more than ever, *The New Social Face of Buddhism* is vital reading for activists, scholars and everyone seeking to transform their spiritual practice into a force for social, political, and global change. A groundbreaking work, Jones' book is a wellspring of inspiration that should not be missed.
