

Ropin Trouble (Cowboys of Nirvana Book 2)

Welcome to Nirvanayour wish is a cowboys command. Kaycee Darling has one thing on her mindgetting the juiciest, most provocative stories that will boost her career as a journalist. Setting her sights on Nirvana, Wyomings fastest-growing retreat for the high-society, she wont stop until shes proven the R&R is nothing more than a romanticized meat market for the lonely of heart. Chase Sever believes hes finally taken care of the journalist who has been breathing down his neck and can start concentrating on the expansion of his pride and joyNirvana Ranch. He doesnt have time for romance, but when a sassy siren arrives at his ranch, he suddenly has a cleared schedule. Shes smart, bubbly, and has a body that could make a cowboy melt in his boots, but he suspects theres more to her than meets the eye. Is she really who she says she is? She has Chase right where she wants him, but what she finds might change her beliefs on Nirvana, compassion and loveor she might have roped in more trouble than she can handle.
