

American Heroes: Dispatches from a Decade at War (War Stories Series)

Since 9-11-01, North and his award-winning War Stories documentary team have made more than a dozen extended trips to Afghanistan, Iraq, and the Philippines covering U.S. soldiers, sailors, airmen, Guardsmen, and Marines for FOX News Channel. With extensive experience as a decorated military officer, a counter-terrorism expert, and as a documentary filmmaker embedded with American combat units, he has a unique perspective on the enemy we face and the qualities of those who protect us. American Heroes offers a close-up of this generations citizen-soldiers who have chosen the path of the patriot and gone into harms way for their countrymen. Norths unprecedented access, his grasp of history, and his lucid reports from the crucible of combat make this a stirring chronicle of courage, commitment, compassion, and faith. Thank God for American heroes!
