

## Beyond the Quiet Hills (Spirit of Appalachia Book #2)

The Wilderness Lands Over the Misty Mountains Had Drawn Them West. But Could They Tame Americas First Frontier Before it Destroyed Them? The Tennessee frontier had brought together Hawk and Elizabeth Spencer in the harshest of times. As they struggle to survive and raise their family at the Watauga settlement, Hawk brings his son, Jacob, to live with them. But Jacob has only known the life of the city and resents his father for leaving him behind in the past. That bitter resentment only intensifies when Jacob discovers the strong bond thats already formed between his stepbrother Andrew and Hawk. Things are complicated when the stepbrothers both begin to fall in love with Abigail Stevens. While she enjoys the attention of both young men for a time, she knows she must ultimately choose between the two. Will her decision drive the family even further apart? Can Hawk stop a vengeful plot from turning the frontier into a war with the Cherokee?
