

An Anthology of Living Religions

This anthology provides each of the major world religions with an opportunity to explain itself in its own terms, creating a sensitive and accurate picture of its teachings and beliefs. It allows readers to gain an inside understanding of origins, founders, and practices and presents the religions as living faiths. Selected extracts relate religion to such current issues as gender, environment, and politics. Chapters explore indigenous sacred ways, Hinduism, Jainism, Buddhism, Taoism, Confucianism, Judaism, Christianity, and more. For individuals desiring to learn more about the major world religions, and their impact around the world today.
