

And the Miss Ran Away with the Rake: Rhymes with Love, Book 2

Sensible gentleman of means seeks a sensible lady of good breeding for correspondence, and in due consideration, matrimony. Which is exactly the sort of advertisement that makes practical-to-a-fault Daphne Dales heart flutter. A sensible gentleman, in her estimation, is the perfect match, and shes even more convinced once shes exchanging sensibly romantic letters with her very appropriate suitor. That is, until Lord Henry Seldon strays into her path. Hes everything shes vowed to avoid - a rakish charmer whose very touch seduces her practical sensibilities and her resolve. Lord Henry Seldon was not amused when his nephew placed an advertisement to find him a wife. Yet he couldnt resist replying to the note from Miss Spooner. And once he discovers hes corresponding with none other than the disarming Daphne Dale, he finds its too late to disavow his heart. Now it is up to Henry to prove to Daphne just how insensible - and powerfully passionate - true love can be...
