

Angel Sister (Rosey Corner Book #1): A Novel

What a jewel of a story. Reminded me of *To Kill a Mockingbird*. Like a Kentucky summer, *Angel Sister* starts slow and easy but by the end, roars along, leaving the reader breathless and wanting more. --Lauraine Snelling, author of the Red River series, *Daughters of Blessing*, and *One Perfect Day* It is 1936 and Kate Merritt is trying hard to keep her family together. Her father has slipped into alcoholism, her mother tries to come to grips with their dire financial situation, and her sisters seem to remain blissfully oblivious to all of it. Kate could never have imagined that a dirty, abandoned little girl named Lorena Birdsong would be just what her family needs. In this richly textured novel, award-winning author Ann H. Gabhart reveals the power of true love, the freedom of forgiveness, and the strength to persevere through troubled times, all against the backdrop of a sultry Kentucky summer. Ann H. Gabhart is the bestselling author of several novels, including *The Outsider*, *The Believer*, and *The Seeker*. *Angel Sister* was inspired in part by the many stories her mother and three aunts told her of growing up in small-town Kentucky during the 1930s. Gabhart lives with her husband in Kentucky, a mile from where she was born.
