He might have amassed a fortune and built a reputation for himself as a heartless tycoon, but when it comes to family, hell always make time for Helena. So when she informs him that her husband Eric is having an affair with their nanny, Alessandro doesnt hesitate to put himself right in the middle of the love triangle. Hell do anything it takes to save his sisters marriage, even if it means seducing the nanny into his own bed.

Nothing in Sophie Hendersons life could have prepared her for how she would feel to meet a man like Alex. Not only is he charismatic and sexy, he exudes an air of danger that Sophie cant resist. Lust at first sight turns quickly into love and when he proposes marriage, she doesnt need to think twice. Why would she? Spending the rest of her life with Alex is a dream come true... until she discovers that their marriage is based on lies and revenge and a dark attraction that will consume her if she lets it.

THE SHEIKHS CONVENIENT MISTRESS The business which brings Sheikh Zamir Fayeze to the deserts of Las Vegas is far from pleasant, and its vital that it be kept secret. After all, the last thing he needs is news of his brothers drug addiction hitting the tabloids. Enter Olivia Henderson, a celebrity concierge who specialises in meeting the requirements of her clients no matter how difficult they might be.

Only nothing in Olivias experience has prepared her for a man like Zamir. Hes domineering, arrogant and sexy, and he makes no effort to hide the fact that he wants Olivia in more ways than the professional.

Nothing in their

relationship is certain, but for one thing: that it must end. For Zamir will be King, and the hopes of a nation rest upon his shoulders. Olivia is a perfect distraction in his moment of need but she's hardly wife material. So why does he find it so hard to leave her, even when his duty calls him? And will he ever forgive her for how quickly she moves on? THE BRAZILIANS FORGOTTEN LOVER A secret child. A romance in tatters. And a thousand reasons Cristiano and Ava can never be together. After the death of her mother and the heartbreak of leaving Cristiano, Ava Henderson finally has her life on track. She's running the family vineyards and raising her beautiful daughter single-handedly. But a chance reunion with the love of her life makes her doubt everything she's worked to build. Cristiano had been right to leave when Ava asked him to. What choice did he have? She had always wanted a completely different life to what he could offer. And that life was more important to her than anything else. But three years later, he's back in the sleepy wine-growing district of Western Australia, and the same electrifying connection sparks between them as though no time has passed. Just as he's starting to wonder if maybe lightning does strike twice, he discovers something about Ava that will change his feelings forever. How can he forgive a woman who lied to him? Who kept his own child away from him? And how can he move forward, sharing a child with a woman he's now starting to despise ...
