

Murder, He Wrote: A Successful Writers Life

In *Murder HE Wrote*, Bain takes the reader on a rollercoaster journey from the rousing loops of *Coffee, Tea or Me* and the best selling comedy series it spawned to the gravity-defying biographies of Veronica Lake, legendary talk show king Long John Nebel, and top model and CIA mind-control subject Candy Jones; from the spectacular curves and twists of the wildly successful murder mystery novels based on the TV show *Murder, She Wrote* to the creaks and squeaks of one of the most bizarre gang wars in U.S. history, *Charlie and the Shawneetown Dame*.
