

The Call the Alignment the Assignment

Millie and James Adams are now retired after serving 22 years as missionaries in South America, plus 13 years as care pastors at Covenant Church in Carrollton, Texas, a church of over 10,000 members. The book you hold in your hand is not just ink on paper, but rather blood, sweat and tears expended for the Kingdom by two unselfish servants. Their journey will come alive as true living epistles, read by all men. Its not just what is said in the pages of this book, but it is the indelible marks left on the lives of men and women around the world and recorded in heaven. My friends and colleagues, James and Millie Adams, made those marks with humble sacrifice. If the book is not enough, talk to those who know them and then read between the lines and you will find multiplied volumes of Christian character bathed in wisdom. Get ready! Your life is about to experience a legacy. Dr. Ralph L. Holland Founder/President International Missions Network
