

Hebrew Books: 24/8 - The Secret for being Mega-Effective by Achieving More in Less Time (Hebrew Edition): Business and Personal Growth Books (Time Management, ... Leading and Inspiring Others Book 1)

A must book for anyone who wants to conduct themselves in a Mega-effective way position themselves in first place in every competition and build an authority in their field! Do you feel that youre progressing too slowly or stuck in the same place and want to shoot ahead? After he published over 500 bestselling books worldwide in one year and sold over a million books around the world, Amit Offir reveals for the first time more than 60 unique methods and techniques which you can use to conduct yourself in a mega-effective way in order to create productive assets and conduct yourself freely anywhere in the world. If you dont have enough time in your life come to learn how to create an additional effective working day per week! This book will help you create an additional effective working day per week. Using the unique thinking method of the author youd learn how to think outside of the box and conduct yourself differently than most people. If you implement the working methods detailed in this book you can create at least one additional effective working day per week! Do you want to conquer the first place in every competition and be conducted mega-effectively? This book was written to help you become a more effective, accurate, efficient and professional. Its meant to assist you in making records and breaking them time after time to position yourself in first place in every competition. Do you finish a working day with the feeling that you didnt get anything done? If youre confused and exhausted from the load of work needed to be done in the company, at work and in your personal life, in this book youll learn about the toolbox required for your business so you can conduct yourself in the most effective way and achieve the goals you desire. Amit Offir is a bestselling author, lecturer, business consulted and an international expert in

creating communication through drawing. So far he composted and produced hundreds of bestselling books worldwide in different categories. Among the books are The Beetle that Wants to Be, Even Dragons Get Scared and many drawing books. His books and products sold millions of copies around the world and were translated into dozen of languages. A must book for anyone who wants to progress and grow in their personal life, career and business. Amit is a rare combination of an artist and businessman, and amazingly successful in accomplishing large business achievements in minimal cost and effort, while maintaining an enjoyable lifestyle that is right for him. All the secrets and tools are exposed to you in this book. Highly recommended! (Dr. attorney Yaniv Zaid Dr. Persuasion The Art of Persuasion)
