[Siren Menage & More: Menage a Trois, F/M/F] One beautiful Englishwoman in peril, a volatile political atmosphere, and the oh-so-wicked aristocrat who offers to save her at all costs... Lara Moore is neck deep in trouble. So deep she can fairly feel the noose tighten around her throat, but rescue in the form of one infamously charming nobleman is far from appealing. For one thing, he wants compensation in the form of sexual submission. Second, he is far too clever to fool. The devilishly handsome Comte Roussel isn't interested in being the one who pays, unless he collects back full measure. Anton Garcin is privileged, wealthy, powerful, and thwarted at every turn in his pursuit of the beautiful Lady Edgerton. When he finally has her cornered, he isn't above using coercion to ensure seduction, but the results are not exactly as he expects. His government thinks the lady is dangerous. He discovers it is all too true... This title was previously published. Siren Erotic Romance
