

Are You There, Vodka? Its Me, Chelsea

When Chelsea Handler needs to get a few things off her chest, she appeals to a higher powervodka. Seems reasonable, when considering that she discovered her boyfriend was having an affair with a Peekapoo and she had to pretend to be honeymooning with her father in order to upgrade to first class. Welcome to Chelseas worlda place where absurdity reigns supreme and a quick wit is the best line of defense.. In this highly entertaining, deliciously skewed collection, Chelsea mines her past for stories about her family, relationships, and career that are at once singular and ridiculous. Whether shes convincing her third-grade class that she has been chosen to play Goldie Hawns daughter in the sequel to Private Benjamin, deciding to be more egalitarian by dating a redhead, or looking out for a foulmouthed, rum-swilling little person who looks just like her...only smaller, Chelsea has a knack for getting herself into the most outrageous situations. Are You There, Vodka? Its Me, Chelsea showcases the candor and irresistible turns of phrase that have made her one of the freshest voices in comedy today...
