

## A Quick Bite: An Argeneau Vampire Novel (Argeneau Vampires)

That hot guy tied to Lissianna Argeneaus bed? Hes not dessert - hes the main course!Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But theres another, more pressing issue: her tendency to faint at the sign of blood ... an especially annoying quirk for a vampire. Her mother thinks she has the perfect solution, and serves up the therapist on a silver platter (or at least a wrought iron bed). Of course it doesnt hurt that this psychologist has a delicious looking neck.What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a strangers bedroom pretty quickly - once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor find true love with a hemophobic vampire vixen, or will he be just a good meal?Thats a question Dr. Greg might be willing to sink his teeth into ... if he can just get Lissianna to bite.
