We're waiting Ride Me by Jambrea Jo Jones This is book three in the Dark Encounters series Let the games begin... Franco James is in for a night of self discovery when the owner of Dark Encounters, Trevor Keaton, takes him on a tour of the naughty toys on display for the Sex Carnival. They start with a nice Farris Wheel spanking and explore just how far Trevor can push Franco's limits, but at the end of the night will Trevor be his forever Sir? Jambrea Jo Jones About the Author: Jambrea wanted to be the youngest romance author published, but life impeded the dreams. She put her writing aside and went to college briefly, then enlisted in the Air Force. After serving in the military, she returned home to Indiana to start her family. A few years later, she discovered yahoo groups and book reviews. There was no turning back. She was bit by the writing bug. She enjoys spending time with her son when not writing and loves to receive reader feedback. She's addicted to the internet so feel free to email her anytime.
