

The Aristocrat and the Single Mom

Handsome English aristocrat Lord Simon Morton-Blake is reluctant to get involved with anyone on his visit to Australia especially a single mother like Kate Petherbridge! But Simon cant deny his attraction to vivacious Kate, or refuse her offer of a place to stay. Thrown into the middle of Kates lively family, Simon finds his buttoned-up manner slowly undone. A happy family isnt something Simons known before, but hes starting to realize theres one ready-made, just for him.
