

## Letters to a Roman Catholic Priest

This booklet contains personal letters addressed to a parish priest of the Church of Rome, whose acquaintance Ironside made on a railway journey. It was a pleasure for Ironside to converse with this cultured gentleman. When they parted, the priest accepted a small volume dealing with a portion of Holy Scripture from Ironside. Afterward the priest wrote Ironside a very appreciative letter about the topics with which the book was concerned. There began a correspondence, which is being published with the hope that they may prove helpful to the reader.
