

## At Her Pleasure (Mills & Boon Blaze)

No more Ms. Nice Girl. Thanks to Nicole Howards accommodating ways, her life has delivered a whole lot of disappointment. Armed with a pirate queens autobiography aka a girls guide to seduction and sexual empowerment Nicole heads to the Caribbean determined to unleash her inner diva for a steamy adventure. Hottie Ian Marshall and an almost-deserted island are the perfect ingredients for a little no-strings action. In fact, this fling is giving her everything she ever wanted... and then some. Once their sensual games are over, however, will she be able to walk away from the best sex... ever?
