

At The Devils Table: The Man Who Took Down the Worlds Biggest Crime Syndicate

An Impossible Choice - Jorge Salcedo was trapped. For years, he had climbed the ladder inside the Cali drug cartel, the worlds most powerful crime syndicate, and risen to Head of Security. But hed kept clean, avoided the dirty work, managed to sleep at night. Until now. Hed finally received the order hed long dreaded, and it meant one thing: kill or be killed. The Hard Ways - Jorge alcedo was a family man, a man with a conscience, a father - he was no cold-blooded murderer. He was left with the last resort. It meant risking his life, his familys life, and the lives of everyone he cared for. He would have to take the whole syndicate down. It was the price to pay for salvation. Would you risk your life to save your soul?
