

When She Wasnt Looking

No woman could deny the appeal of the sexy deputy sheriff Jonas Porter. But to Courtney Allen, Jonas has one major flaw his badge. Years ago, Courtney's father was wrongfully convicted of a crime and she vowed to never trust a cop again. But when Jonas becomes the only man to believe in her father's innocence, Courtney begins seeing the brooding lawman in a whole new way. Jonas knows in his gut that the real killer is still out there and determined to finish what he started long ago. To protect Courtney and bring the criminal to justice will require all the skills he can muster. And that means focusing on the job. Not the woman who makes him forget his troublesome past and arouses in him a passion that is anything but professional.
