

The Sheikhs Seduction

Who was seducing whom?With her familys future happiness in Tareq al-Khaimas all-controlling hands, Sarah Hillyard was persuaded to become the sheikhs traveling companion for a year. She remembered his gentleness toward her as a young girl, but now she suspected Tareqs scheme was a calculated means of getting closer to the beautiful woman she had becomewith no promise of commitment on his part.Tareq claimed to have lost the capacity to love and he was so totally self-contained, so frustratingly untouchable that Sarah surprised herself by wanting to find out how he would react if she turned the tablesand set about seducing him!
