

Let Me In (Mills & Boon Spice Briefs)

Imogen hasn't had sex with her husband, Ty, in over a year. She's still as attracted to him as ever, but they've both been looking for something new to renew their desire for one another. Yet she never thought to find it at a friend's wedding when another couple invites them to share their bed. Ty is obviously aroused by the idea and the thought of a ménage à trois thrills Imogen to her core. Could this be the key to rekindling their passion - and can Imogen go through with it? Book four of Lauren Hawkeye's Erotic Me series.
