

Wanted: a Baby by the Sheikh (Desert Kings) (Volume 5)

You walked away from our wedding, just walked away and kept walking while I waited for you. And I hear nothing from you for a year, except a trail of credit card charges. Now, without explanation you return saying you want our baby. What the hell is going on, Taina? A reasonable question for Prince Daidan ibn Saleh al-Fulan to ask his beautiful wife, Finnish heiress Taina Mustonen. But how can Taina answer when the heartbreaking truth would destroy the diamond business he values so much? With no answer, Daidan comes up with a proposal of his ownone which will force Taina to confront the fears from which shes run her whole life.
