

Baby, Come Home (Southern Roads Book 2)

Home is where your heart is. The hardheaded Armstrong brothers are determined to rebuild their tornado-ravaged hometown in the Georgia mountains. They've got the means, they've got the manpower... what they need are women! So they place an ad in a Northern newspaper and wait for the ladies to arrive.... Sensible yet sexy middle brother Kendall Armstrong penned that ad himself--but there's just one woman he really wants to answer the call.... Civil engineer Amy Bradshaw--Kendall's ex-fiancee--fled Sweetness years ago, taking a precious souvenir with her. She's back now... but only on a professional level. Really. Little does she know that old flames always burn the hottest....
