

## Love and Lucia (Barbara Cartland Eternal Collection) (Volume 12)

Even amid the genteel grandeur of Venice, the Marquis of Wynchcombes ennui is undiminished. His fiery mistress Francesca, a beautiful and flamboyant Venetian actress, bores him almost as much as the company of the Beau Monde and royal acolyte with whom he associates. So when an impoverished but delicately alluring young Englishwoman Lucia accosts him at a cafe and beseeches him to peruse the painting of her dying father, he is intrigued more so when he realises that Lucias father is a genius... But then he dies. Lucia is distraught and destitute but the Marquis saves her from penury by buying her fathers every painting, promising to take her home to England. Enraged by her beaus apparent infatuation with the young ingenue, Francesca stabs him with a stiletto... But its Lucia who has truly pierced his heart and stolen his soul and just as the Marquis thinks she will be his forever, she delivers the heartbreaking words: Although I love you with all my heart I cannot be your wife...
