

Love At Sea (Sweetly Contemporary Collection Book 5)

Passport to Love...Maura's great aunt is injured in an accident just before the two are to set sail aboard the Athena, and insists her niece go on without her. Maura can still gather background material for her famous aunt's next romantic novel while enjoying a tropical island vacation. Maura might not have agreed if she'd known the devilishly handsome owner of the shipping line, Nikolaos Vassos, would be on board. The arrogant Greek is everywhere she turns, in both calm and stormy seas, and seems to suspect her of some sort of literary sabotage. How can she concentrate on island romance when her thoughts keep turning to a Greek lover? Category-length novel. (Originally published under the pen name Maxine Patrick).
