

Behind the Stories

You Loved the Novels. Now Read the Story Behind the Stories. Today's Christian novelists entertain and inspire millions with their heart-warming and thought-provoking books. Yet few readers really ever get the chance to know these talented writers beyond the brief biographies included in their novels. Behind the Stories now offers a rare, behind-the-scenes glimpse into the personal lives of dozens of your favorite storytellers, including: Janette Oke, Jerry Jenkins, Francine Rivers, Beverly Lewis, Lawana Blackwell, Jan Karon, Randy Alcorn and more. Revealing their hopes and dreams, their successes and failures, and providing fascinating insights about what it means to craft stories from a Christian worldview, these honest discussions of fear and faith, of compromise and calling, include never-before-published thoughts and insights that will enrich your life and your future fiction-reading experiences.
