

## Her First: (A BBW F/F Romance.)

Extra curvy Norah doesn't identify as anything other than straight, but she can't seem to shake her mounting attraction for a woman who is the total opposite of her in every way. Sissy is sassy, outspoken and persistent. She knows what she wants, and she wants Norah. There is something about the plus size beauty that she just can't shake, and it has her willing to do something she's never done: wait. Then, one night, fate steps in. But one night is just one night, and both women will have to decide if one night is enough.
