

Beautiful Bastard (The Beautiful Series Book 1)

NYT and USA TODAY BESTSELLER

An ambitious intern. A perfectionist executive. And a whole lot of name calling. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. Hes exacting, blunt, inconsiderate--and completely irresistible. A Beautiful Bastard. Bennett has returned to Chicago from France to take a vital role in his familys massive media business. He never expected that the assistant whod been helping him from abroad was the gorgeous, innocently provocative--completely infuriating--creature he now has to see every day. Despite the rumors, hes never been one for a workplace hookup. But Chloes so tempting hes willing to bend the rules--or outright smash them--if it means he can have her. All over the office. As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what theyre willing to lose in order to win each other. Originally only available online as The Office by tby789--and garnering over 2 million reads on fanfiction sites--Beautiful Bastard has been extensively updated for re-release.
