

## Being Peace

Being Peace is a timeless and eloquent introduction to Zen Master Thich Nhat Hanh and his most important teachings. First published in 1987 and translated into more than thirty languages, this spiritual classic reveals the connection between our own personal happiness and the state of the world around us. Thich Nhat Hanh's key practices are presented in simple and clear language, offering practical suggestions for how to create a more peaceful world right in the moment we are alive. Being Peace is a must-have for those interested in Buddhist practice and a perfect starting point for anyone concerned about how to create peace in themselves and the world.
