

Beloved Enemy (The Secrets of Stoneley)

FROM THE DESK OF JULIET BLANCHARD I thought working in our family if rm would if nally make my father show some interest in me. hes always been distant toward mepossibly because I might not be his child? (I found an incriminating photo of my long-presumed-dead mother with a man I resemble.) Then I found he gave Brandon De Witte my job! I know this handsome newcomer is keeping secretshopefully not dangerous ones. Because not only is my faith shaken right now, but someone seems to want me out of the picture, permanently.
