[Siren Everlasting Classic ManLove: Erotic Alternative Cowboy Romance, M/M, HEA] Jackson Murphy is an architect living and working in Los Angeles, California. His entire life is turned upside down when a private investigator hands him a manila envelope. Looking through the contents, he soon realizes that his biological father isn't the man that raised him. Instead, it's a man named William Rickett. William is very ill and his last request is to meet Jackson. Dropping everything, Jackson packs a bag and heads to Colorado. Wyatt Thompson is the foreman at the Belt Buckle Ranch. He's also been a friend to William Rickett, the ranch owner for fifteen years. When the man passes away, it's his responsibility to make sure William's five sons stay at the ranch. His attraction to Jackson is instantaneous, but Wyatt is reluctant to follow his heart when the future is unknown. ** A Siren Erotic Romance
