

Best Laid Plans (Jacks History)

AVAILABLE DIGITALLY FOR THE FIRST TIME
Structural engineer Abra Wilson is the sexiest thing that architect Cody Johnson has ever seen in a hard hat. But Abra reckons Codys design for a new resort is an impractical piece of pride and fancy - and tells him so. Working together brings them far too close for comfort, and Abra has to fight to resist Codys many charms. But after they join forces - privately and professionally - the pair finds themselves caught in a terrifying web of deception that could destroy the entire project... and could even threaten their lives. Includes a preview of Loving Jack.
