

The Bridge: Unbroken (Volume 3)

After one of the Fae under her protection in Cincinnati, Felicia, is kidnapped, Evangeline Kane finds herself embroiled in a mysterious plot that could have far reaching consequences for all the Fae ruled by the Three Courts. She must brave the perils of the Under-Veil, in the land of Fae to prevent a possible Fae war, and retrieve the Woodland Imp that was taken from them. A reality away from her bridge, can the Troll of the Roebling bridge even hope to fight Felicias captors and accusers?
