

## Maverick (Silhouette Desire)

Will you do it for one million dollars? Any other time Tanner Wolfe would have balked at being hired by a woman. But the price was just high enough to gain his interest the lady's beauty definitely strong enough to keep it. Yet he wasn't about to allow her to tag along on his mission. This maverick bounty hunter worked alone. Always had. Always would. However, he'd never confronted a more determined client than Brianna. She wasn't taking no for an answer. Not about anything.
