

A Side Chick Scorned: Urban Fiction

Hell Hath no Fury like a Side Chick Scorned... Keith Brown is in a love triangle and he loves every minute of it until all parties find out about each other and all hell breaks loose. He has controlled Jazmine Porter for as long as she has been his side chick but nothing last forever, once Jazmine sees the truth her heart turns cold and her trigger finger gets hot. Keith and his family soon find out there is nothing worse than A Side Chick Scorned, especially when she wants revenge. Read the story of this crazy Side Chick and how she will do anything to get her love back, even if he is a married man. ****NO CLIFFHANGER...THIS IS A STANDALONE****
