

## Beyond Reason

The Woman: She was a beautiful, gifted descendant of Lady Astor. But Elizabeth Haysom was also a spoiled, willful daughter of privilege. The Lover: He was the brilliant young son of a German diplomat. But his love for Elizabeth would draw Jens Soering into a web of madness and murder. The Murder: When Elizabeth's parents were found savagely butchered in their elegant Virginia country home, she and Jens fled to Europe-igniting an international manhunt that spanned three continents. The Trial: The sensational courtroom drama that followed painted a twisted portrait of two golden youths consumed by hatred and perverse fantasies.

Elizabeth's startling testimony-and intimations of acts and desires that went beyond mere murder-would reveal a tangled web of dark secrets and deadly obsession.
