

One Night in Memphis

Can anything really change in twenty-four hours? Can everything? What if a woman, tired of bad choices and broken hearts, traveled a thousand miles to the heart of Memphis, Tennessee, and spent a night forgetting her past in the blues clubs of Beale Street? What if a man who lost his wife to cancer ventured to Beale Streets social scene for the first time in over a year? And what if they met and realized love was still possible for them both? Both Dakota James and Ethan Meriweather have given up on finding happiness in a relationship. When they meet in downtown Memphis, neither has romance on the brain. But as the evening unfolds, and small talk turns to the stuff of hopes, dreams, and shared loss, a kinship grows that neither expects. Before the night is over, though, Dakotas past will catch up with her in the form of a violent ex-boyfriend. As dawn approaches and tragedy threatens to tear Dakota and Ethan apart, both will have to make a snap decision that could change their lives-forever. Warning: Mild profanity
