

## Big Flirt

Lola's life didn't turn out quite the way she hoped. At 42, she's divorced, overweight, and hates her job. There had to be more. Seeking out a second chance at love, she delves into the world of online dating. Only she finds the exact person she didn't want to. LonelyMan10 messages her, drawing her in. Caught up in the excitement of a new attraction, Lola's world grinds to a halt once she recognizes the man. This was not what she bargained for! So why is she holding on, almost afraid to let go? Can Lola find love with the person she least expects? Big Flirt is a fun, bumpy ride that spins out of control in the most delightful way. Warning: this book is filled with happy endings, complications, and an occasional laugh.
